

Celebrate May

- May's flower is the daisy or sweet pea.
- May's birthstone is the emerald.
- The name of the month could have come from the Greek goddess Maia, who was identified with the Roman goddess of fertility, Bona Dea, whose festival was held in May.

We sure do enjoy our activities. Whether we're playing bingo with local students or spending lima beans at our lima bean auction, we have a good time. We even make ice cream by rolling a ball. There is always something fun happening at Bickford of Wabash.

Marvelous May!

We are excited for May. We are planning a special Kentucky Derby Day as well as a special Mother's Day Tea.

We enjoy hearing the stories our mothers in residence tell about fun things that happened while they were raising their children.

We're looking forward to the lovely flowers that will bloom in our flower garden. And maybe it will even be warm enough for us to spend some time outside.

Of course, at the end of May we remember and honor those men and women who paid the ultimate price in order to secure and protect our freedom. Our hearts go out to those who have lost family members and friends during military service.

As always, we invite you to join us any time at Bickford of Wabash. Come have lunch or dinner. Join us for an activity. You are always welcome here.

Happy May!
