

Happy Fourth of July!

July News

We hit off the Summer in June with lots of fun. We've had tea parties, picnics, and a western themed day. We also had a fun trip to the local zoo! We are trying hard to get the residents out of their apartments and into having fun and trying new things!

We will also have accordian players come to play for us on our Italian themed day and we have the Windsong Woodwind Quartet coming to entertain us.

I look forward to spending some fun times together getting to know each and every one of you as we bond with new trips and fun parties.

For July we can't wait to start having a men's breakfast. We will get together and read the newspaper and instead of meeting in the dining room they will get the chance to hang out like old friends.

Make sure you sign up for the Howie Bus rides for Dr appointments on Monday and Tuesday in the nurse station.

To the right is Norma enjoying her time at our Western theme day complete with games, snacks, and a fun country store. Below is Patricia with her Western theme craft of a rootbeer cowgirl.

Lorraine enjoying the beautiful day at the Zoo. We got to see the baby goats and watch the river otters get fed! She was even brave enough to hold a snake!

July
