HAPPENINGS

AUGUST

Resident Myra and her favorite Italian munchies.

If you see someone with a smile give them one of yours. Resident Lois loves to share her Smile.

BFM Matilda is assisting Dollie to get dressed up and ready for the day.

Maintenance coordinator Todd, wears many hats. Helping with staff appreciation day. He's also a good griller.

Besides the Dog Days of Summer, August is the month for fairs. So, it is the perfect month to plan a "Fair to Remember." It will make for a "blue ribbon" month. This month we'll be getting out and about catching the last month of really good sun while having fun! A county fair is planned for August 8th at the assisted living flag pole. A great way to take in all of Worthington's beautiful homes and down town is with a scenic drive, which is set for August 17th. On August 21st we will be hosting our very own Hollywood Day, so come dressed up and enjoy a red carpet event.

Reminder: Our monthly Family Support Group will be held on August 22nd.

Resident Audrey and Ray show off their 4th of July outfits.

All hands were on deck to make a delicious brownies for bake club.

Our resident Pastor Marion led Bible studies and had our Bfm Teresa very much engaged

Ribbon cutting at our newly renovated branch.

Fun was had by all who went to lunch bunch at Bob Evans.

Italian day was lots of fun. The residents and staff enjoyed a delicious italian meal. It was prepared by our kitchen staff. We celebrated all day and enjoyed different varieties of italian goodies and wine. Italian music was played throughout the day.

We also learned some General and Historical facts about Italy.

We celebrated our staff with an appreciation day. Our staff had a great time outdoors with each other. Bickford of Worthington has one of the best teams around and we thank each and everyone for their hard work and dedication.
