~*~ A Note From Taylor ~*~

Happy almost fall! My name is Taylor Ridner and you may already know but I am the new LEC here! I started this position in the beginning of August but have been with Bickford since July of 2014 when I was fresh out of highschool! I'm super excited to make new and fun changes to the activities department working closely with Allie our LEA who primarily works in Mary B's. Bear with me as we all find out what works and what does not work. I'm super excited for this opportunity and can't wait to see where this takes me!

~GET TO KNOW ME!~

I am 23 years old and I have a 2 and a half year old little boy named Asher. We live in Franklin, Indiana with my boyfriend Randy. We love visiting my future inlaws in Colorado. The mountains are my happy place! I have 5 siblings, yes 5! And my whole family is very important to me! Feel free to stop me anytime to know more! Looking forward to what 2020 brings all of us.
