

Car Museum Outing in Isanti

North Branch HAPPENINGS SEPTEMBER

Bob picked our first ripe tomato.

This is our last fishing trip for the summer. What great memories!

Far right: Steve is helping to peel corn for lunch.

On September 8th we celebrate Grandparents day. As a grandma myself, I know just how precious grandchildren can be. Yesterday a couple of young adult grandchildren visited their grandma at Bickford. Her face beamed when they came to visit. But when it was time for them to say goodbye, her eyes swelled up with tears. With a quivering voice she said, "I can't believe they came all this way to visit me." What an example of how much a visit from the grandkids can mean to someone.

On Sunday September 8th we are celebrating Grandparents day by having special music with Jenny from 2-3 followed by a root beer float social. Please come and join us.
