Please be on the lookout for an email with dates and time for our Family History Day and Halloween party. October 26th is National Pumpkin Day. With Halloween only five day away, its pumpkin time! So come on out and carve or decorate a pumpkin with us for Halloween decorations. If you're a kitty parent,you know cats have so many characteristics to love and celebrate. Stop by the branch to give our branch buddies Presley and Ozzie a little extra love on October 29th.

Creative activities, such as painting, encourage a sense of competence, purpose, and growth-all of which contribute to aging well.

Hollywood Day event. The residents, BFM's and family members had a fun moment walking the red carpet with Mary poppins.

Bowling with friends. By participating in bowling, residents are able to have the chance to think about the strategic maneuvers as well as work out how they can improve their game and have fun.

Resident Mary Ann from Assited living visited residents from Mary B's to read and spend some quality time with them. How wonderful!!

Zumba with miss Pam. Dancing requires seniors to memorize movements and routines, which encourges the use of short-term memory.

Baking with Myra and Ray. There is always something delicious to bake at Mary B's.

Our Branch Buddies Presley and Ozzie, they like so much alike. Let's remember to celebrate them on October 29th National Cat Day!!
