Thanksgiving Prayer

Dear Lord,
Where in the past I would have felt afraid, I am thankful for the challenges that will make me rely on Your strength and not my own.
Where I would have worried, I am thankful for the knowledge that You make all things work together for my good.
Where I would have felt alone, I am thankful for Your comforting presence as I step out in faith against each day's uncertainty.
Where I would have worried and panicked, I am thankful for the ressurance that comes

from knowing that nothing is impossible for You. Where I would have wanted an easy victory and a peaceful end, I am grateful to know that You are with me every step of the way. Where I would have wanted more, I am grateful that You have shown me how much I have to be thankful for, in good times and in difficult times. This Thanksgiving I pray for those who do not know You, that they may seek You and find the same sense of peace that I found despite hardships and uncertainty. Amen.
