A Note From Taylor

Hello Friends,  
 Now that we have gotten through the busy month of October, lets all start to focus on what November brings us. Lets all remember what we're thankful for, and spending time with the most important people to us. I have made a couple small changes to the usual calendar times. One being moving craft hour to 10:30am on Tuesday and moving "Whats Cooking" to Friday mornings! Be on the lookout for these changes so you dont miss anything.

We do not have any major events planned for November but with the holiday season approaching we will be hosting a few things. Including our big Holiday dinner sometime in the beginning of December, so be on the look out for that! We had so much fun at our Annual Family Reunion last month! Please join us for a small Veteran's Day Celebration on November 11th as we appreciate all of our BFF's that served our Country  
 Happy November everyone.
