

"The crisp path through the field in this December snow, in the deep dark where we trod the buried grass like ghosts on dry toast."

~Dylan Thomas

Dashing Through the snow

December Lore

Forest animals can speak and understand humans on Christmas Eve.

If snow falls on Christmas Day, Easter will be green, warm and, sunny.

For some, December 28 is the unluckiest day of the year.

Old New Year's Eve Traditions.....

In Brazil and Argentina, the color underwear you wear on New Year's Eve indicates your hopeful prediction for the upcoming year: yellow-richer red-You'll find love white- peace.

Denmark people celebrate by throwing their old dishes at the doors of their friends homes. A front stoop littered with broken plates suggest the person inside has lots of friends. What is your Favorite Tradition?
