For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father and Prince of Peace.

Isaiah 9:6

Merry Christmas! From your chaplains Linda Herrmann & John Stitzel

We would like to say a special Thank You to Charles Mcmanus! He is the husband to our dear resident Freda. Charles not only brings in pies, brownies, potato salad and more goodies but he brings in the kindest of words to all of our staff. He is also so sweet to our other residents and helps out during meal times. Charles, we are so thankful to have you and Freda in our lives. You both have made our lives brighter.

We love you both!

Resident in the Spotlight this month is Gordon Johnson. Gordon is a sweet gentleman. Always smiling and giving the staff hugs and kisses on the cheeks.

Gordon is an Army Veteran and has been awarded two purple hearts. We thank you for your serviced sir.

With the cold months ahead of us please make sure you are bundling yourself up when you go outside. Make sure sidewalks and walkways are clear from ice. Be careful. If it looks bad outside, stay in if you can. Stay safe and warm.

From everyone here at Bickford of Lafayette, we would like to wish all of our residents and thier families a very Merry Christmas and safe and Happy New Year!
