Resident Spotlight: Marie Kufeldt Jernigan

Marie was born on October 21, 1930, the middle of 7 children. Her parents were of the province of Prussia. They immigrated to the United States through Chicago, found each other, married, and lived in Florida for the rest of their days. Marie grew up in the small town of Homestead, FL where her father was a Roly Man, and her mother was a homemaker. She went to Anderson College in Anderson, IN, a Church of God University that most of her family attended. She got her degree in Elementary Education, and served at the military base in Japan in the 1950's teaching 1st grade. She also taught in Michigan for a few years. While in college she met her husband Dan Jernigan through her roommate.

After Dan served a time in the Navy they got married on August 8, 1960. They moved to Findlay, OH where Dan got a job as an accountant at Marathon Oil. Marie was a wonderful homemaker to her two children Duane and Lisa. Marie served and was member of the East Foulke Ave. Church of God through many different roles including Women of the Church of God group and missions. She and Dan were married 58 years before he passed in October 2018. Marie and Dan moved to Rockford, IL to be closer to family. She has four grandchildren and one great- grandchild. She enjoys the activities at Bickford especially Scrabble, Bell Choir, puzzles, bible study, and mind sharpening games.
