Jan Herring & David Foote

My name is Jan Herring. My husband Phillip and I have three adult sons - Joshua (wife Jennifer), Christopher and Samuel. I graduated from Southern Baptist Theological Seminary with a degree in Christian Education. I home schooled my sons while also serving as a youth minister, an instructor in a community college, a Bible teacher in Christian schools, and I served as a chaplain at Sentara Norfolk General Hospital. I love reading, teaching, swimming, and traveling.

My name is David Foote, born and raised in Texas. I met my wonderful wife in college and have been married for over 23 years. I am a father of 5 children, ages 18 years to 8 years. I am currently a minister at a local church in the Kempsville area and have served there for 3 years now. I have been blessed with the opportunity to live in and visit other countries. I love getting to know people and offering encouragement. It is a wonderful opportunity to meet and serve you all.
