Happy Leap Year!!

Leap Year was "invented" back in the first century BC, when Julius Caesar and his team of astronomers noticed that their 355-day Roman calendar had somehow slipped out of sync with the seasons.

Happy Valentine's Day!

Valentine's Day Fun Facts!!

Passing out Valentines is a 600 year old tradition.

Esther Howland is the first manufacturer of Valentine's.

Candy hearts were originally medical lozenges!

The chocolate box has been around for more than 140 years.

Every year, more than 36 million [heart shaped boxes of chocolates](#) are sold across the country.

February 14th is the second largest card giving day of the year, just after Christmas. This year, it's expected that 1 billion cards will be exchanged around the world.

Teachers receive the most Valentine's Day cards, followed by kids, mothers, wives and girlfriends.

Hallmark was one of the first to mass produce a Valentine's Day card, all the way back in 1913.
