

### BFM Spotlight Corner

Cathy Gault Receptionist

Cathy loves her coworker's and resident's. She loves to help other's and make a difference. On any given day if She is not at the desk you can see her do laundry or in Activities room doing manicures etc.

She is married to the love of her life Tom. They have been married for 23yrs and have two son's Travis and Chris. Her Hobbies are scrapbooking or any craft. Her dream is to be a Full time Grandma but not anytime soon.

### April Birthday's

Jack Cronan	4-5	Helen Tracy	4-8
Don Gingerich	4-6	Sue Greene	4-10
Mary W.	4-8	Pat B.	4-11
		Jo Anne Nenni	4-12

### The Evolution of the Easter Bunny

The long-beloved Easter Bunny may not be mentioned anywhere in the Bible, but it is the most prominent secular symbol of the most important Christian holiday ever observed. That holiday, of course is Easter, which celebrates the resurrection of Christ. One might ask how an animal as common as the rabbit became a symbol for such a miraculous event in religious history. Really? An Egg-laying Hare?

mythical mammal that delivers treats ranging from colored eggs to chocolate candies each Easter originated in pagan festivals centuries ago as a hare that laid eggs. Widely perceived as male despite the contradiction in reproductive processes, he first appeared in Germany before Christianity had spread throughout Europe. Today, that hare has evolved into the Easter Bunny- a cute nose twitching rabbit that brings treats in colorful baskets.
