## Fathers Are Wonderful People

too little understood, And we do not sing their praises as often as we should.... For, Somehow, Father seems to be the man who pays the bills, While Mother binds up little hurts and nurses all of our ills... And Father struggles daily to live up to "his image" As protector and provider and "hero of the scrimmage"..... And perhaps that is the reason we sometimes get the notion That fathers are not subject to the thing we call emotion, But if you look inside Dad's heart, where

no one else can see, You'll find he's sentimental and as "soft" as he can be.... But he's too busy every day in the sentimental stuff to his partner and his wife...But fathers are just as wonderful in a million different ways, And they merit loving compliments and accolades of praise For the only reason Dad aspires to fortune and success is to make the family proud of him and to bring them happiness. And like Our Heavenly Father, he's a guardian and a guide, Someone that we can count on to be on our side. HSR
