Homebound Library Program

Anyone who is unable to come to the library is eligible for the Homebound Program. We ask that a registration be filled out so we are able to choose books (large print or regular print), books on CD, magazines and other materials for you. A volunteer will deliver the material once a month to the patron and pick up any materials that the patron is finished with and return them to the library. Requests are appreciated and will be filled in the order they come in. You will be issued a new library

card if you do not have a current one. If you have a current one, we can use that one or issue a new canceling the original. The patron must be able to keep track of the materials. We will from time to time renew an item if the patron was unable to finish the material. If a patron needs a CD player we have those for checkout as well. Please fill out a [registration form](#) (the Activity Director has the form) and I will pick it up and meet the new patron to answer any questions they have.
