

Taco Crescent Ring Ingredients: 1 lb ground beef; 1 package (1 oz) taco seasoning mix; ½ cup water; 1 cup shredded Cheddar cheese 4 oz.; 2 cans (8 oz each) refrigerated crescent dinner rolls. Shredded lettuce, chopped tomatoes, sliced ripe olives, taco sauce or salsa, as desired. Heat oven to 375°F. In 10-inch nonstick skillet, cook beef until no longer pink. Add taco seasoning mix and 1/2 cup water. Simmer 3 to 4 minutes or until slightly thickened. Mix beef mixture and cheese. Unroll both cans of dough; separate into 16 triangles. On ungreased large cookie sheet, arrange triangles in ring so short sides of triangles form a 5-inch circle in center. Dough will overlap. Dough ring should look like the sun. Spoon beef mixture on the half of each triangle closest to center of ring. Bring each dough triangle up over filling, tucking dough under bottom layer of dough to secure it. Repeat around ring until entire filling is enclosed (some filling might show a little). Bake 20 to 25 minutes or until dough is golden brown and thoroughly baked. Cool 5 to 10 minutes before cutting into serving slices.

KEEPING HAPPINESS STRONG

As We Proceed....

There is no higher calling, no greater purpose than that of a caregiver. Somehow, we've come to believe that caregiving is just for some of us and not all of us. Yet at our core, we are all made to love, to connect, to extend ourselves in service of others. The question is ... do we have the will to love, to do what it takes, to risk ourselves in caring, even when the burden is great? In times of happiness, in times of sadness - we are that caregiver.

In today's uncertain times, we feel a responsibility to be straightforward as to how our Branches are being affected by COVID-19. For this reason, we are displaying the number of active COVID-19 cases for each Branch on their website. At Bickford Senior Living we will lead with transparency so you have the best information available as you make decisions for your loved one. Sincerely, Your Bickford Family
