

Bickford Strong!

We are always looking for ways to enrich happiness here at Bickford. However, the staff were taken by surprise when one of our residents, Bill, brought down a plate of homemade cookies he had made for the staff. He said, "It's for all the extra work you guys have been doing." We were truly touched by his thoughtfulness and quickly realized that here at Bickford, we take care of each other.

Ruth and Mae both turned 90 in April and their families came out and celebrated in style while maintaining our visiting guidelines. We appreciate all the creative ways the families have maintained contact with their loved ones.

We love our residents, there is no denying that. We must admit, however, that we also love our furry residents. Always up for a quick pet, the Cats of Bickford are definitely a joy to have around.
