## Memorial Day Family Car Parade

We invite you to participate in our Memorial Day car parade!

Please arrive no later than 2:45 by the pond near the back driveway where there will be a sign placed to start the line up.

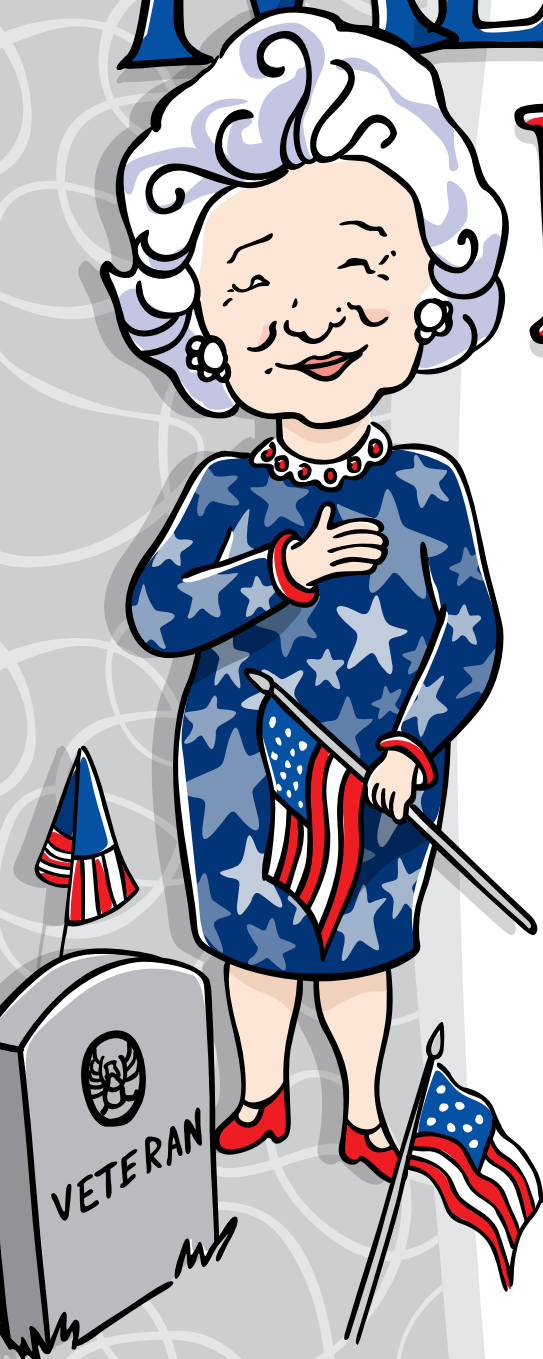

Please follow the signs to help everything run smoothly and safely

Residents will be eagerly waiting on the sidewalks to wave and see their families while practicing social distancing.

We ask that all participants remain in their vehicles while residents are outside to keep both families and residents safe.
