

HAPPENINGS

In March we discovered the joy of drumming together. It's noisy but fun.

Amazing April

April gets you out of your head and out working in the garden.”

Marty Rubin

April Showers

They say that April showers bring May flowers. We are hoping for just enough rain to give us a bumper crop of lovely flowers but not enough to wash everything out. If the weather permits, we'll be doing a bit of planting. Some of our residents have green thumbs, and we like to encourage them to show off their skills. As always, we enjoy helping our residents have fun and enjoy their home with us.

As we write this, we are still under some COVID-19 restrictions. We hope to see those easing soon. Of course, we will always do what we can to keep our residents safe and healthy. If you have any questions about our policies or procedures, please don't hesitate to ask.

We're wishing you the best that April offers.
