

HAPPENINGS

SAY CHEESE!

April Newsletter

April showers bring May flowers and boy are we ready! As we welcome yet another month, all of us here at Bickford are so excited for some sunshine and warmer weather. As always, we have some fun things planned for this month. Our Pearl's Passion Theme Days for this month are Baseball Opening Day, Easter Sunday, and Cruise the Open Seas. We have lots of fun activities planned, so stayed tuned for all the fun! Have a blessed month!

BFM SPOTLIGHT:

Meet Luke Butikofer, CNA. Luke has worked at Bickford since March of 2019! Luke's favorite thing about Bickford is being able to help the residents and joking with the them and doing whatever it takes to make their day better! Luke enjoys working out, watching sports; football, baseball and basketball and also enjoys running and lifting weights in his free time! Luke says helping the residents gives him great joy and a sense of purpose. The medical field challenges him and the communicating and problem-solving with the residents helps keep him wanting to do better every day!

We are so lucky to have you Luke! Thank you for doing whatever it takes! You're amazing!

MEET LUKE!

We hope you all had a great St. Pat's Day!!!
