

HAPPENINGS.

Always Something Fun Happening at Bickford of Wabash

We lifted our glasses. Some of us took this to a new level.

We made lovely flowers.

We celebrated whatever we felt like celebrating.

Marvelous May

In the marvellous month of May when all the buds were bursting,
then in my heart did love arise.
In the marvellous month of May when all the birds were singing,
then did I reveal to her my yearning and longing.
Heinrich Heine

Celebrate May

- May's flower is the daisy or sweet pea.
- May's birthstone is the emerald.
- The name of the month could have come from the Greek goddess Maia, who was identified with the Roman goddess of fertility, Bona Dea, whose festival was held in May.

Mothers Day, Memorial Day, and More

We are excited for May. We are planning a special Kentucky Derby Day (May 1) as well as a special Mother's Day Tea (residents only this year; maybe we can invite guests next year). We enjoy hearing the stories our mothers in residence tell about fun things that happened while they were raising their children. We're looking forward to the lovely flowers that will bloom in our flower garden. And maybe it will even be warm enough for us to spend some time outside.

Of course, at the end of May we remember and honor those men and women who paid the ultimate price in order to secure and protect our freedom. Our hearts go out to those who have lost family members and friends during military service. We hope to be able to see you in May. We hope you'll come have lunch or dinner or join us for an activity. You are always welcome here, though you should make an appointment until further notice.

Happy May!
