## June

In the olden days of June-  
In June 1901, the average annual income was 1,009.  
A gallon of milk cost .27 cents, loaf of bread  
would set you back 3 cents.

June firsts for baseball-  
The month of June marks the first recorded baseball game, played  
on June, 19, 1846. Thirty-seven years later, the first baseball game to be played under lights occurred June  
2, 1883, followed 14 days later by the first Ladies Day baseball game.- with free entry for women to cheer  
in the stands.

Nearly a century later, on June 11, 1974, the little league changed its rules  
to allow teams of girls on the baseball field.
