Every Month We Celebrate Birthdays!

Joyous June

The castle grounds were gleaming in the sunlight as though freshly painted;
the cloudless sky smiled at itself in the smoothly sparkling lake,
the satin-green lawns rippled occasionally in a gentle breeze:

June had arrived.

- June's Flower is the rose
- June's birthstones are pearl, alexandrite, and moonstone.
- We celebrate Father's Day on the third Sunday of June.

As of June, Mari will be taking over the role of Life Enrichment Coordinator. Rae and Linda have enjoyed serving our residents and will miss having fun with them.

June Is Bustin' Out All Over

June brings the start of summer. Things still aren't completely back to pre-COVID normal. At the time of this writing, we still have a lot of restrictions in place to protect our residents.

If you have friends who are caretakers, be sure to let them know that we offer short-term respite care when we have apartments available. Yes, this is even true during COVID-19. We'll be happy to look after mom and/or dad, grandma and/or grandpa, while caregivers go on vacation.

June is National Aphasia Awareness month. Aphasia is an impairment of the ability to speak or comprehend words and may be caused by a stroke, vascular dementia, or other brain injuries. For information about aphasia and resources for dealing with it, go to www.aphasia.org.

Have a joyous June.
