## HAPPINESS IS BLOOMING

## STATE FAIR FUN

Do you ever spend a relaxing time, strolling around the Sate Fair? You can easily take the entire day, so many fun things to see there. Cows with wet friendly noses, I even saw camels one time. Kids showing off their animals, many wonderful special kinds. And of course you have to eat delicious and wonderful food, concession stands are everywhere that put you in the eatin' mood. It wont be long now you know, so even if you're always on the run, you must mark your calendar to take time out for the State Fair Fun!
