

# HAPPENINGS

## SMILES ARE A SIGN OF HAPPINESS

## COMPASSION, COMMUNITY, CARING

This year's National Assisted Living Week theme is Compassion, Community, Caring. It honors those resilient individuals who worked so hard, went above and beyond, and never gave up. When times got tough, staff members were there to lend an ear and their hearts. When mothers, fathers, daughters, sons, sisters, and brothers could not physically be together, caregivers became family. And even when things seemed impossible, essential assisted living staff continued to deliver the highest quality care. Keep a look out for all the fun we have planned as we celebrate Assisted Living Week!
