Happy November Birthdays to Affie and Larry!!

What Makes Bickford So Special

One of the questions people frequently ask, what sets Bickford apart? This is simple - We are a family that does whatever it takes to create unforgettable moments for our Residents! This can be as simple as acknowledging a birthday, or can be something on a larger scale. For example we helped plan a trip to Marblehead so Kitty and Larry could finally see their daughter's new home; or compiling love letters Joanne and her husband wrote to each other when they first began dating up until they married. We want to enrich everyone's happiness everyday!
