BE THANKFUL

Thanksgiving is upon us, and for most it is a time to look upon what we are thankful for and all our blessings. It is also a great time to start being thankful not just this time of year, but every single day. There are so many reasons to be thankful everyday. Try and start your day off with "I am Thankful for..."

It will surely make your day start off on the right foot.

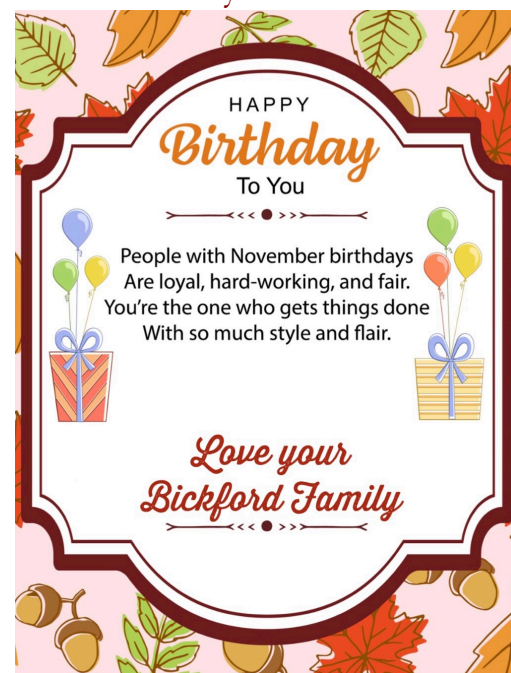

"For each new morning with its light, for rest and shelter of the night, for health and food, for love and friends, for." everything thy goodness sends."

-Ralph Waldo Emerson
