Mickey helping us Celebrate

Anne getting in the festive mood!

Looking forward to January

We had a great time getting for Christmas this year! We celebrated 12 days of Christmas. Each day had a theme that staff and residents had to dress up as. We also got treats each day! One favorite was root beer floats, the other favorite was build your own nachos!

We also enjoyed taking HOWIE and seeing all the beautiful Christmas lights and had a few musical entertainers come in and help us celebrate with songs, piano, and the fiddle!

Looking forward to having a Luau in January so we can pretend it is not zero degrees outside! We are looking to seeing the beautiful snow from our windows!
