

It's that time again, to send the kids back to school. Please help our local schools out with a donation of school supplies. They need many things, from backpacks, paper, pencils and crayons. Anything they can use to help further their education. We will take donations until Sunday, August 17th, and will deliver to the school the following Monday the 18th. Thank you for all your support to our younger generation!

Monthly Interview

Ruby Bliven was born and raised in Muscatine, Iowa with her two siblings. Some of her favorite things to do with her siblings were riding horses in the open fields. Her parents lived and worked on the farm until her mother was hired at Jefferson School. When Ruby was 21 years old she married Donald Dale Bliven, and was married to him for 57 happy years. When they retired Ruby and Donald traveled to many different places.

She spent a lot of her traveling days in Europe. She traveled to Italy, Germany, and her most favorite place was France.

Ruby enjoys her time at Bickford by playing Bingo, listening to our traveling entertainment, whether it's music, or presentations. She also loves to take a drive to her favorite restaurant, Peking, to enjoy some sweet and sour chicken.

Thanks for your time Ruby, it was wonderful to get to know you!
