A note from the Director

February 2023

Welcome to the New Year! Bickford is starting the Higher Path Program. Here in Okemos we are thrilled. This truly adds focus to our residents. The goal of the Higher Path Program is to keep our loved ones happier, healthier, longer. We work with the loved one, and their families to find solutions to any obstacles that come their way. The vision includes a doctor to be available 24/7! This would be a blessing, and is currently in the works. More to come!

Thank you again for being a part of our Bickford Family. Looking forward to another month of fun! Never hesitate to reach out with any questions or concerns. Know we are here for you.

Respectfully,

Jen
