

Autumn
 Morning dew, dancing leaves,
 Crispy air and firey trees.
 Apple cider, pumpkin pies,
 Corn on the cob, long hayrides,
 Football rallies, the first day of school,
 Halloween parties with witches and ghouls,
 Shorter days, chestnuts-a-roasting,
 Harvest moons, winters approaching.

A Little Bit of Humor Aging with A Smile

-Know how to prevent sagging? Just eat till the wrinkles fill out.

-I've still got it but nobody wants to see it.

- Don't let aging get you down. It's too hard too pick back up.

-These days half the stuff in my shopping cart says, "For fast relief."

-Remember: *You don't stop laughing because you grow old. You grow because you stop laughing.*

Happy Birthday to our September Residents

Those born September 1 to 22 are hardworking, practical Virgos. Virgos are often kind and dedicated caregivers. They are at home in the company of animals. Often reserved, Virgos shy away from attention. Libras born between September 23 and 30 seek balance and harmony just like their symbol, the scales. They are very social, seek compromise, and have strong powers of critical thinking.

Memos from Marketing

A warm welcome to our new residents, Please introduce yourself to our new residents and welcome them to our community. Invite them to join you in some of our activities. We all know how it feels to be the new kid on the block. So show a friendly smile, a kind word, or lend a helping hand to help ease the stress of moving into their new home.

A fallen leaf is nothing more than a summer's wave good bye!

Happy Labor Day

Welcome Sue Huttel to Bickford

From the Desk of the Life Enrichment Coordinator Well, we finished another month and our summer is near an end. Many of you are hearing about your grandchildren or great-grand children going off to school and the cost. Things have certainly changed from when you were putting your children through school. Football season starts and we begin to see the beautiful fall colors and less daylight. Check out the games on the Big Screen TV with your friends.

Now that summer is over and we're all getting back on our schedules the branch is looking for Volunteers. If you want to give back and assist Marnie with programming please contact her.

Happy Fall, Marnie

The Bickford Family Members and Friends would like to welcome Sue Huttel to fill the position as our new administrator to the branch. Sue comes with years of experience in the healthcare field. We are excited to begin working with her and keep things going around the cottage.

Sue is eagerly getting to know the Happynings and operations of the branch. Sometimes maybe a little overwhelming but we are all working together as a team to create the homelike environment at Bickford.

Sue is anxious to meet all of the families. Stop by to welcome her and introduce yourself. She will greet you with a smile.
