

Getting to know you... Mary Ann Miller is our Life Enrichment Coordinator. She is from a family of nine, so making things work for the masses comes naturally to her. Mary Ann has 3 grown children and 4 grandchildren. Her husband Dave, is a hit with the ladies, as he deals poker every Thursday. Mary Ann and Dave enjoy music as they are both in local bands. They just moved in with Mary Ann's mom and dad in Hampshire to help when they are needed. Mary Ann has worked in "Activities with Seniors" since she was 5 years old. She loves to sing and make someone smile. This picture is from our "50's" Day. When there is a party at Bickford you will find her at the start and at the end of the celebration. The resident's smiles are what enriches her happiness.

Sweater Weather
It is getting nipper outside...finally. Be sure to bring your loved ones their warmer clothing. Even though some residents may not go out, it is very important that they have a warm coat and perhaps a scarf, mittens, and a hat.

We might get to use the firepit to make S'mores. Do you know someone that has never had a S'more? Is it you? Be sure to come on over and experience a melting S'more!
