

Resident of the Month:

This is Bill, he hasn't been with us for that long but we couldn't imagine this place without him! Bill is a hard worker and wants to make sure everything is always in tip top shape. He loves teaching the residents and staff new ways to do things and always is up to something fun. We recently discovered he's an EXCELLENT dancer! He told us him and his wife would go dancing a lot and would stay the whole night! So glad you're with us Bill, We love you!

Updates

New Door System:

You may have noticed we received a new door system thanks to our awesome Maintenance Man, Bob.

Instead of having our secured door outside of our facility, it is now on the *Inside* door.

Now you can feel free to walk in our First door and ring the doorbell at our Second door to have a team member welcome you in!

Just a small change to make it more comfortable for our guests!

Looking Back on Last Month:

Last month was a lot of fun for us. We had our theme day on the 12th and it was a blast! The theme was "Cruise the Open Sea". We had games, decorations and food to go along with our fun theme day!

We also had a Paper Airplane competition and Shirely was our winner!

We took a fun trip to Jones Brothers Cup cakes and came back with bellies full and hearts happy!

We love having fun with our Bickford family!

Spring Is In The Air

"What is your favorite thing about Spring?"

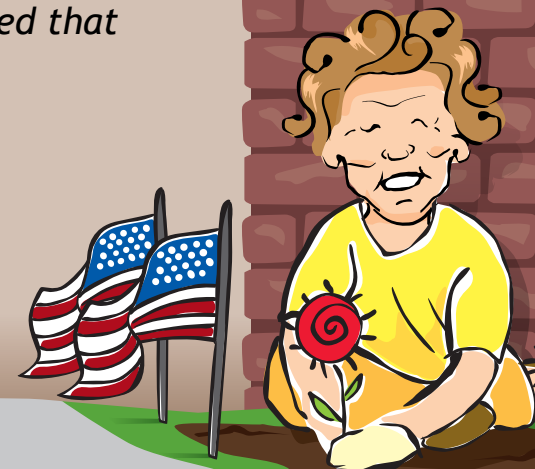

Tom: "I look forward to when it starts getting warmer outside. I would walk around my old house all the time from some fresh air"

Connie: "I think it's the most beautiful season. I love looking outside and seeing the dandelions. It's beautiful seeing the white fluffy seeds flying around!"

Pat: "I love seeing the wild life come out. I once put honey on my finger and watched a bee land on it! He just loved that honey."

Helen: "Baseball games start! I always love watching and listening to as many as I can."

Lori: "Lots of people golf in the spring. I use to work at a golf course and it reminds me of that time. I really enjoyed that job"
