

With the beginning of Autumn in full swing, we have lots of fun things in store this month. One thing in particular that we are super excited to announce is a visit from Wild Time Exotics! They are a licensed and insured company from Springfield, II that educates and entertains on various species of animals. They will be visiting us on Friday October 5th at 2:30 in the afternoon. Residents and staff alike will have the opportunity to ask questions, interact by holding or petting the animals, and even kiss them if they choose! We invite you to pop on in that afternoon and check it out. We don't want to give away the surprise of what animals will all be here, but with it being October, I bet you can count on a "special" 8 legged friend to make an appearance!

## BFM September Spotlight

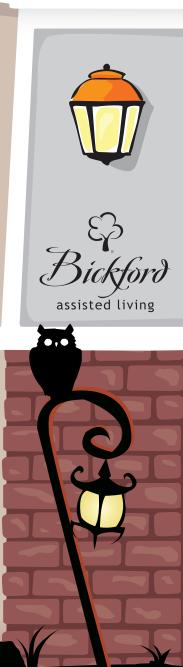

You all may know our Superstar RNC, Miss Cindy McDaniel, and the wonderful care that she provides to our Bickford friends, but let's get to know a little bit more about the lady behind the scenes! Some of Cindy's favorites include: the color fuschia, the movie Gone With The Wind, Gilligan's Island, salmon fish, and the musical groups; The Eagles & Fleetwood Mac. She is inspired by her 2 children, Kirsten & Nick. Her proudest accomplishment is becoming an RN as her second career. When asking Cindy if she has any hidden talents, her reply was:

"If I told you they wouldn't be hidden!" Although I've heard rumors that she can play the flute & bake some pretty awesome chocolate chip cookies. Cindy describes herself as a dreamer, planner & multi-tasker. Her favorite thing about Senior Living is making a connection & sharing a story, laugh, smile or hug. Those are magical moments for people with dementia. Cindy loves sharing jokes, being teased & teasing back. (As long as it doesn't involve spiders, l've learned that's a no-no with her!) Cindy loves Bickford because here, she says we are all family.
