

Providing Toys And Smiles To Children With Cancer

We will be enriching happiness throughout our community this holiday season by collecting new toys to a very well known charity:

"The Pediatric Oncology Treasure Chest Foundation"

The Treasure Chest Foundation currently serves more than 13,000 children and teens in Children's Cancer Treatment Center's across the nation.

We are asking resident's, families, friends and Bickford Family Members who would graciously like to donate new unwrapped toys for children this holiday season. We will be collecting toys up until December 17th. There will be a collection box by the entrance doors. All donations are greatly appreciated. Thank You!

Holiday Cheer!

Hello Bickford Family, I'm Roman, your new Kitchen Manager. Some of you may remember me as the Assistant Director from when Tinley Park location opened in 2016. What you may not know is I've also been Kitchen Manager for Bickford over 2 years in the past. I look forward to putting out some home cook meals in the inviting atmosphere that we

know as the "Bread Basket". I look forward to rekindling all my relationships with past residents and family members but also creating new friendships and memories with all the newer residents I haven't met. Feel free to stop by the kitchen and provide feedback of how I can make the "Bread Basket" the best experience for your loved one.

Have a wonderful day!

Wishing you all peace, joy and all the best this holiday has to offer. May this season of giving and spending time with your families bring you joy and happiness that lasts throughout the year!

Merry Christmas and Happy Happy New Year!
