

Our First Annual Food Drive!

Hello Everyone,

We are starting our 1st annual food drive **today, December 3rd**. We will be collecting nonperishable food items to donate to **Midwest Food Bank on December 21st**.

We will have boxes in the Front Entrance for nonperishable food items to be placed in.

We want to give back to the community that has been so great to us and we hope you embrace the Holiday Spirit as well by giving what you can.

Thank you from all of us here at Bickford and Happy Holidays to All.
