

Marshalltown HAPPENINGS

JANUARY

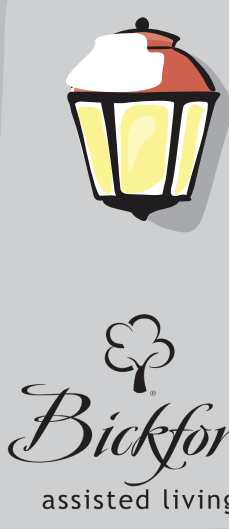

Our resident elves were busy at work creating 500 stocking stuffers that were donated to the Salvation Army Toy Town!

Happy New Year!

2018 was a great year for us at the branch! We are so thankful to have our renovation finally complete which included new wallcoverings, flooring, furniture and decor. Along with that also came a new roof and additional attic insulation. It was exciting to see it all come together and we are now able to enjoy our beautifully remodeled home! While we were extremely fortunate that the July 19 EF3 tornado did not hit our branch we did feel the effects as many BFMs and resident's loved ones

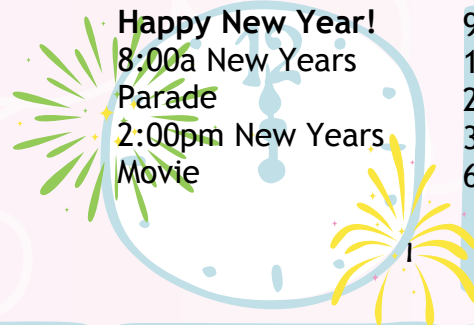

were not as fortunate. Our community will continue to rally together to ensure we are #marshalltownstrong! Another big change for us at the branch has been the addition of our new RN Coordinator - Danessa Quigley. If you have not had a chance to meet her yet please stop in and introduce yourself next time you are at the branch. We wish you and your loved ones a happy new year and look forward to 2019!
