

Celebrate January

- January's birthstone is garnet.
- January's flower is the carnation.
- January is named after the Roman god Janus, who was always shown as having two heads. He looked back to the last year and forward to the new one.

One of the things we love most about Bickford of Wabash is the way the residents enjoy taking part in whatever we're doing. As you can see, we caught some of our favorite resident elves decorating the Christmas tree.

My New Year's resolution is to help all my friends gain ten pounds so I look skinnier.

My resolution was to read more so I put the subtitles on my tv.

A New Year's resolution is something that goes in one year and out the other.

New Year's is just a holiday created by calendar companies who don't want you reusing last year's calendar.

Fun Stuff

I return to work tomorrow with a childlike belief that 2019 is the year people will think at least twice before hitting Reply All.

Smoking will kill you. Bacon will kill you. But smoking bacon will cure it.

What do you get when you cross a snowman and a vampire? Frost bite.

What do you call a snowman in July? A puddle.

Welcome 2019!

We are looking forward to the new year and all it will bring.

We're always looking for new ways to engage our residents and their families and increase everyone's happiness. After all, our goal is always enriching happiness.

We welcomed a few new residents in 2018, and we're looking forward to welcoming even more in 2019.

Of course, with the new year many of us

make new year's resolutions. The most common ones are to exercise more, eat more healthfully, and stop bad habits. Have you made any resolutions or set any goals for the new year?

Speaking of goals, what would you like to see from us in 2019? If you have any suggestions, you are always encouraged to let us know.

Here's to a great 2019!
