## A NEW YEAR OF HAPPINESS

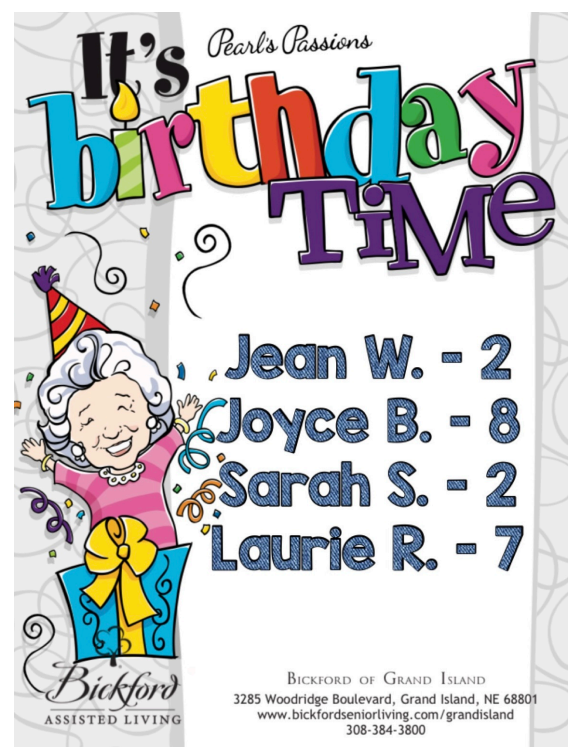

## COZY UP TO WINTER

After all the hustle and bustle of the Holiday season, January can have you feeling those winter blues. Instead of allowing those blues to set in, why not embrace the cold and cozy up to winter. Look on the bright side, and make the best of the chilly weather with snug, relaxing, nostalgic winter pastimes.

Here are some ideas to help get you started:

\*Make some hot chocolate or tea \*Curl up with a comfy blanket and a good book \*Bake cookies, cinnamon rolls or whatever brings you comfort \*Take a long bubble bath \*Wear Pajamas & fuzzy slipper all day long \*Take a nap \* Make popcorn & watch your favorite movie
