

# HAPPENINGS.

## Hello From Your New Happiness Coordinator!

My name is Jocelyn Exner and I am so excited to be joining the Bickford Family as your new Happiness Coordinator! I have loved getting to know so many of the residents the last couple of weeks and I cannot wait to continue to learn so much about everyone here. I know we are going to have a wonderful time together and I hope to see all of your faces at some of our fun activities and events this month!

## Fun Facts About March

- In Ancient Rome, their calendars only consisted of 10 months. They began in March and ended in December. So, Happy New Year to the Ancient Romans!
- National Sons Day is March 4th
- We celebrate International Women's Day on March 8th
- On March 11th they will dye the Chicago River green in celebration of St. Patrick's Day, this tradition began in 1962
- Get ready to "Spring Ahead" for Daylight Savings on March 12th
- The 84th annual "March Madness" NCAA Basketball tournament will begin March 14th. Statistically, March is the least productive month of the year in the USA and is said to be due, in large part, to this annual basketball tournament!
- March 20th marks the official start of Spring

We had a great time at our wine & cheese Happy Hour visiting with one another and playing card games together!
