If you have only one smile in you, give it to the people you love." -Maya Angelou

The Family Is One Of Nature's Masterpieces

- We would first of all like to thank all of our families that came out for our Jazz on the Green Theme Family night! We hope you all enjoyed the entertainment from Mr. Jim Snyder!
- Tina and the residents would like to thank you all for your donations for our BINGO cart and snack cart. The residents were so excited to see all the new prizes and had a hard time deciding what they wanted to choose. We truly appreciate you all and would once again like to say thank you!
- Keep your eyes open for a new face in the branch! Our nurse Nikki will be starting soon. Stop by the first week of September to say hello and introduce yourself! We would like her to be familiar with as many faces as she can for your loved one!

Here are some tips for caring for your loved ones with dementia:
